

St. Zachary Super Bowl Squares

How to Play

Each square is \$25.00.

Cash, check and credit card payments will be accepted.

Squares can be purchased after all weekend Masses or in the school office during the week.

Once all the squares have been purchased, the numbers (0-9) will be selected randomly by a computer for each row and column. These numbers represent the last number in the score of each team for a particular quarter. For example, if the score is AFC 17– NFC 14, then the winning square is the one with an AFC number of 7 and an NFC number of 4.

4 Chances to Win!

End of 1st Quarter: \$250

End of 2nd Quarter: \$250

End of 3rd Quarter: \$250

End of Game: \$500

This is a parish fundraiser. 50% of the proceeds will benefit the parish, and the other 50% will be awarded as prizes.

Completed board will be on display in the church on February 12/13. If all squares are not sold, payouts will be prorated.

Winners will be notified on Monday, February 14, 2022.

Good luck to you!

Super Bowl Sunday is on February 13, 2022
